Re: *Alex Goldman v. Catherine Reddington*, 1:18-cv-03662 (RPK)(ARL)

**Joint Status Report**

Dear Judge Kovner:

We represent Defendant Catherine Reddington in the above-referenced matter. We write on behalf of both Parties in response to this Court's Order dated February 6, 2024, instructing the Parties to file a fifth status report regarding the current stay in this matter pending the Second Circuit's decision in *Coleman v. Grand*, Dkt. 21-800.

The Court of Appeals for the Second Circuit still has not issued a decision in *Coleman v. Grand*. As we previously noted in the Parties' status report of February 5, 2024 (ECF No. 165), the Second Circuit heard oral argument in *Coleman v. Grand* on May 13, 2022. We understand that the case remains an active matter, with a decision still expected.

Because the issues presented in *Coleman v. Grand* are substantially related to those in the instant matter, the Parties again jointly ask this Court to continue to stay the pending motions—(1) Defendant's motion for summary judgment (ECF No. 140), and (2) Plaintiff's motion for judgment on the pleadings (ECF No. 155)—until the Second Circuit has issued a decision in *Coleman v. Grand*, or for another status report within a reasonable time as the Court may deem appropriate.
